Admission Procedure

Admission to Pokhara Engineering College's Academic Programs in Bachelor of Engineering is being offered to a limited number of qualified candidates, who must fulfill the eligibility criteria, as laid down by Pokhara University (PU)

The admission committee of Pokhara Engineering College will conduct an entrance examination, comprising of questions based on the courses (Physics, Mathematics, Chemistry and English) undertaken by the applicants during their last examinations. If deemed essential, the academic interview prior to the final selection shall be carried out.

- Based on the outcome of these procedures, Pokhara Engineering College will eventually determine the eligibility of the applicants, who will be duly notified.
- The Academic council of Pokhara Engineering College reserves the right to accept or deny admission to any applicants without assigning any reason whatsoever.
- While determining the applicant's eligibility, main weightage shall be the entrance performance however the weightage of the past performance will also be of secondary importance if and when required.
- The Application form can be collected from the college reception or can be downloaded from the links mentioned below. However, the form must be submitted to the college reception either by mail or by hand.
